## PROJECT DETAILS

### "CAMPUS CHRONICLES"

"Campus Chronicles: ITM College Quest" is an engaging and immersive PC game that places players in the shoes of a student navigating the vibrant world of ITM College.

This unique game combines elements of simulation, adventure and strategy to create an unforgettable gaming experience.

The game world faithfully recreates ITM College's layout, complete with iconic landmarks like the main library, student center and various academic buildings.

Players start as a fresh faced student at ITM College, embarking on thier academic journey. Their goal is to thrive academically, socially and personally while exploring the sprawling campus.

Regular college activities such as attending lectures, studying in the library, participating in extra curricular clubs and socializing with the peers are possible in this game.
